Re: Great Lakes Asphalt Site

Dear Mr. Felitti:

I am in receipt of your letter dated September 3, 1991.

Please note that Beazer East, Inc., the former Koppers Company, Inc., may be interested in entering into a de minimus settlement with respect to the above site if the terms of the settlement were satisfactory to Beazer, taking into consideration the fact that Beazer is an Enviro-Chem settlor.

Please feel free to call me if you have any questions concerning the above.

Very truly yours,

William F. Giarla
